Experience

- Defending various employers successfully in cases defining "direct threat," "disability," and "reasonable accommodation" in the Eleventh Circuit.

- Defended various causation issues in workers' compensation benefits cases in state appellate courts.
- Defended numerous employers in administrative decisions including successful R and C cases under the National Labor Relations Act (including one hybrid case in which the NLRB found ULPs but declined to set aside an election voting down the union).
- Received a favorable decision setting aside OSHA "willful" citations involving asbestos at a nuclear plant.
- Received a favorable decision in a confined spaces case obtaining a disposition after hearing that reduced numerous repeat violations and \$128,000 in fines to less than \$8,000.
- Arbitration decisions include labor decisions rejecting individual discharge grievances and one contract interpretation decision allowing the installation of a production line without seniority bidding for positions.
- Tried over 100 cases in employment matters.
- Obtained summary judgment in over four dozen cases in employment matters.
