

Presenter, Webinar: Protecting Intellectual Property Internationally

Speaking Engagement

05.19.2020

A webinar led by Hunter Freeman, Partner at Burr Forman McNair, as he covers tips, techniques, and pitfalls associated with protecting intellectual property (IP) both here in the U.S. and abroad. Hunter will cover topics such as: different forms of IP protection available in foreign jurisdictions, differences between foreign and domestic protections, and strategies for preserving and obtaining global and domestic IP protection.
