

## "Dodd-Frank's Preemption Problem," *BAI Banking Strategies* (May 14, 2013).

### Articles / Publications

05.14.2013

Burr & Forman's David Elliott, Richard Keller and Rachel Friedman author the article "Dodd-Frank's Preemption Problem", published by BAI Banking Strategies on May 14, 2013. The article discusses how Dodd-Frank legislation makes it harder for banks to avoid liability under state law by making it more difficult for them to raise the 'preemption' argument. For more information on how banks should prepare themselves for the Dodd-Frank preemption standards, and for the full article, please click [here](#).
