

Health Records and Alabama Law, 6th Edition

Articles / Publications

07.29.2022

Partners Jim Hoover and Kelli Fleming assisted with the publication of *Health Records and Alabama Law, 6th Edition*. This publication serves as the legal manual for the Alabama Association of Health Information Management. The 2022 edition of the Alabama Association of Health Information Management's Legal Manual provides information regarding state and federal legislation, example forms, and professional best practices for all legal aspects of managing, maintaining, and releasing health information. For more information or to purchase the manual, [click here](#).
