

Tax Sale Resources: Alabama Real Property Tax Sales, Redemption and Clearing Title

Articles / Publications

04.02.2020

As with most states, Alabama tax sale laws are very similar to some states, but different enough in some areas, that you can find yourself under water. If you're looking to purchase in Alabama, this summary is a great start to ensuring you don't get caught with your pants down.

This article is intended to outline the Alabama Real Property Tax Sale Process. [Click here](#) to download the white paper and learn more about how Alabama is different than other lien states.
